

5c. T Level in Legal Services

The Progression Profile

This T Level has two occupational specialisms: Legal Services Assistant Business, Finance and Employment and Legal Services Assistant Crime, Criminal Justice and Social Welfare.

For this occupational specialism, there are progression pathways into apprenticeships, education and work.

The T Level is based on an occupational standard. The occupational standard will have an apprenticeship option, which is referred to in the profile as the 'relevant apprenticeship'.

For some apprenticeships, in particular the relevant apprenticeship, a learner may have covered the content to a high level. They will not need to complete the apprenticeship in this step, this is noted as 'not applicable'. An apprenticeship may also be shortened due to recognised prior learning (RPL), this is noted as accelerated.

For work, whilst some roles may be accessed after completing the T Level, others are available after further training and gaining more experience.
